

Cougar Ridge ELL Newsletter: Remote Learning Week 6

Hello ELL Families,

We hope you had an excellent three day weekend! Hopefully, you and your family were able to get outside and enjoy the sunshine. This is Week 6 of our Remote Learning at home! Since this is a short week, we will be doing an Online Learning Reflection in place of our regular ELL activities. Please use this assignment as a chance to reflect on your online learning and how it has been going for you and your family. We appreciate your honest feedback and are here to help in any way that we can! THANK YOU to all of those families who are balancing working from home, childcare, and/or supporting your child's learning. We're all in this together and we appreciate you!

Week 6: Learning Spotlights

Please follow and complete the lessons your child's classroom teacher has sent, along with the ELL activities on your child's ELL Seesaw account. Remember that the ELL Activities are posted to a separate Seesaw account, so your child may have to toggle between their classroom account and their ELL account to access all of their activities. The ELL activities align with what your child is learning in the classroom in either reading or writing. The purpose of this is to provide additional English Language Development. *This week, however, the purpose of this assignment is to check-in with your child and your family about how the Online Learning is going. Please be honest and let us know how we can help you!*

Below are the ELL Activities for each grade level posted to Seesaw:
